Getting to the Race

RUN FOR HUNGRY CHILDREN

Every \$30 raised feeds and educates a child for one month

In developing countries, 6 million children die each year, mostly from hunger-related causes. Bright Hope works to help tens of thousands of people around the world who are

living in desperate poverty. Many times, the people most affected by issues of poverty are children. It is all too common for children around the globe, particularly in Africa, Asia and Latin America to go days on end with desperately hungry stomachs. Whether it is desperately poor children in Haiti or AIDS orphans in Africa, Bright Hope has committed to providing relief through various Orphans and Vulnerable Children programs to children around the world.

We need your help! When you raise pledges for "Run for Hungry Children," event proceeds go directly to helping children in need. Whether you like to walk or to run, invite your friends to participate with you in the "Run for Hungry Children" on May 17th.
